Fernando reported it is the oldest, running Corvettes only, 40th Anniversary car show. Only 400 Corvettes are allowed to register. John requested the attendees report back to the members in June and perhaps it would be something we as a club would be interested in attending in 2018.

2. Old Business/Past Events: Regarding the Mission Chevrolet 2017 car show. There is not going to be a car show this year but possibly would be a car show in 2018 and would not involve any car clubs. John said what that meant to us is that we could have a good turn out to our car show this year, but reminded us we have 125 spots but could increase the amount.

John Bishop reported there are a lot of car shows listed on our website for the whole year in the events page and encouraged us to review.

Hank Braun reported the show was fun as expected, a few rain sprinkles but the most fun was held in John & Grace's hooch where we all gathered nightly and enjoyed laffs, snacks and drinks. Sunny & Linda's and Hank & Carol's vettes won awards at the car show. Mary reported if you want the same rooms at Ye Kendall Inn needed to reserve your rooms now.

Leo Aguirre reported that Applebee's has invited our club for a Lunch Cruise-in on Sunday, May 21st between 11-3 pm on George Dieter, parking lot is reserved for our cars only. John asked for a show of hands of those attending in order to let Applebee's know.

John advised the members Great Escape registration forms are available tonight. Next month he will ask for volunteers for the Ken Daby car show. Dave Minton showed the beautiful quilt he has been working on and that will be raffled at Ken Daby. Linda Hull reminded the members the club is invited to her home on 15th July. Linda will serve sliders, dips & chips etc. She needs a headcount. We will drive our vettes to down the street where the Hulls live and will be ok for us to park there. There may be a horse and buggy to transport us to the Hull's home from the parking lot. Cost is \$2 per person.
