Governor's Report: Third quarter Governor's meeting to be held in Ruidoso N.M. at the Ken Daby Great Summer Escape. Dave reported a low preregistration for the event and encouraged members to sign up. In order to get a higher attendance we need to participate in other clubs events in the region to get the reciprocating effect, only Dave has been attending this year at other clubs events, it's a great way to meet other Corvette owners with similar interests.

Dave went through the list of volunteers he has for the events in Ruidoso

John also would like to set the date for next year's Ken Daby by October meeting so it doesn't fall at the same time as convention or the month of August club members will discuss at next meeting.

Past Events: Joe D went to Hot Rod Power Tour. It goes from Gonzalez, La. To Kansas he went from Austin to Dallas leg of the tour and had a great time event is held annually.

The Aerial Tramway cruise and lunch had a great turnout and was a lot of fun.

July 4th parade by the Rotary Club on the Westside, they know how to run an event and is right on schedule and very organized we will do this again.

Upcoming Events: Ken Daby Great Summer Escape August 12-14 in Ruidoso, N.M.

A couple of members including some of the board met with Rudolph Chevrolet and we are in talks for a future car show discussions will be held the remainder of this year to select a date that works for both parties.

Bruce discussed the upcoming club trip to Ft Davis Mountains October 14-16th with the itinerary sounds like a great time if you haven't made your reservations please do so Bruce Hubbard is the POC.

New Business: Dave discussed the advantage to being a lifetime member of NCCC

You pay a one time per person fee of \$335.00 and never pay your NCCC dues again which works out to about 10 years of dues, so worth it we have 4 life members in our club currently.

Joe Denham announced with much hesitation he is resigning as our President (not by choice) his job has transferred him to Warren Michigan, this is his last meeting and Bob Simpson as Vice President will preside over the meetings for the remainder of the year.

Bob suggested we have a going away get together for Joe and everyone agreed. Details to be sent to members by Bob.

Meeting adjourned at 7:40 pm

And fittingly Joe Denham won the 50/50 raffle.

August 9th at Ventannas in Sunland Park Casino and Race Track dinner at 6 pm and meeting at 7pm.
